

LEWIS COUNTY

BUSINESS REOPENING TOOLKIT

QUICK TIPS TO GET YOUR BUSINESS BACK TO WORK

The coronavirus pandemic is affecting how business functions in a variety of ways. From loss of business to remote work, things are changing quickly and businesses are being forced to adapt. The Lewis County Business Recovery Task Force offers this toolkit containing relevant and vetted resources and information to help you navigate this challenging time.

The LC Business Recovery Task Force is hard at work lending support to our business community in response to the COVID-19 Pandemic. This is a difficult period for our community, and we want you to know, you're not alone. Local partners and agencies are coming together in an effort to reduce impacts happening today and to position ourselves for a strong recovery as we move forward. PREPARE YOUR WORKPLACE

Ensure hand sanitizer and cleaning products are widely accessible throughout the workplace (at entrance, cash wrap, reception desk, in all personal offices - where people linger)

Plan to implement practices to minimize face-to-face contact between employees and customers to maintain 6-foot social distancing guidelines.

KEEP YOUR CUSTOMERS SAFE

Ensure hand sanitizer (with a minimum 60% alcohol) is available for customers/clients upon entering your store/workplace AND available at check out where credit card machines and cash registers are located.

For customers who do not have or do not bring their own masks, have a small supply of reusable masks available for customers to take with them.

KEEP YOUR EMPLOYEES SAFE

On day one returning to work, provide information about workplace personal protective equipment practices, disinfection measures, your social distancing protocol, time-off options, and any other COVID-19-related safe workplace changes.

Provide masks for employees, washable/reusable masks are recommended.
