

THE EXPERIENCE CHEHALIS

SAFETY & SECURITY GRANT PROGRAM

Experience Chehalis Safety & Security Grant Program

INTRODUCTION & INSTRUCTIONS

The Safety & Security Grant is offered by Experience Chehalis, a Main Street community. Experience Chehalis has established this program to encourage commercial property owners and business tenants in downtown Chehalis to invest in lighting and safety measures to improve the safety and security of their business and/or property.

Our grant program is funded, in part, by local businesses taking part in the Main Street Tax Incentive Program. Businesses can donate to Experience Chehalis and receive a tax credit in the amount of 75% of their donation the following calendar year. More information is available online on the [Experience Chehalis website](#).

A. Who is eligible?

1. Owner(s) of a business - Each business is eligible for up to 75% match of improvement costs to a maximum of \$2,500 grant funds (total project cost can exceed this threshold)
2. Owner(s) of a commercial building - Each building is eligible for up to 75% match of improvement costs, to a maximum of \$2,500 grant funds (total project cost can exceed this threshold)
3. A property with a lease or purchased under contract, if all parties to the lease or contract agree in writing to the improvements
4. Property owner with multiple properties may apply for separate funds to improve each property
5. Business owner with multiple business may apply for individual grants to improve each business
6. Business/building must be located within Experience Chehalis's "Main Street Program" Area (see attached map on pg. 7)

B. What is eligible?

Eligible grant expenses include exterior lighting, improved locks and locking systems, security camera systems and parts, video recording systems, security gates, and professional installation labor fees.

If purchasing security cameras, please consider factors including: camera type based on location (indoors/outdoors), image quality (resolution), night vision capability, field of view, motion detection, power source, connectivity (Wi-Fi or wired), remote access, storage options and requirements (local recording, cloud storage), ease of installation, and weatherproofing.

C. What grant funds are available?

No more than \$2,500 total grant funds will be awarded to a single building or single business. Experience Chehalis has a total of \$10,000 available during the grant round.

D. When will grants be available?

The application process will be open for as long as funding is available; funding cycle is based on calendar year and renewed on an annual basis.

E. What are the limitations?

Funds are intended for future work to be performed. If a project has already been completed by the time of application, there must have been prior communication and shared intent with Experience Chehalis prior to completion. In these cases, an exception may be made. Costs for project design may be included in the project budget submitted for the grant, but no other work should be complete.

F. What is the Commitment & Project Schedule?

1. The applicant (building or business owner) must agree to complete the project in a timely manner. After Grant Committee review, Experience Chehalis Board approval of an application qualifies a project for reimbursement.
2. The applicant has 120 days from the date of acceptance to commence work on the project. If the work has not commenced by that time, the applicant must notify the Grant Committee (or Experience Chehalis Board) in writing of the delay and the intent to either:
 - a. Withdraw from participation in the program without reimbursement for any out-of-pocket expenses; or
 - b. Initiate work by a proposed date (if agreed to and accepted by the Grant Committee) with a project completion date no later than 180 days from the original date of acceptance.
3. The project must be completed within 180 days of acceptance unless a time extension is approved. If the project will run past 180 days, the applicant must submit for a time extension in writing to the Grant Committee. This grant offering is not to be construed as a blanket offer of funds for any other project.
4. A project started before the design is approved and grant awarded will not be accepted, in which case the applicant must bear the full cost of the project or the cost of a redo that meets the design guidelines.
5. Changing the design without Experience Chehalis and City approvals voids the agreement and leaves the applicant(s) totally liable for the cost of the project, including reimbursement for architectural fees.
6. Once the project is completed, the grant applicant will submit a final invoice(s) to Experience Chehalis for reimbursement; reimbursement is typically provided within 1 week of submission.

G. What is the application process?

1. Applicants are encouraged to talk to the City Planning Department early on regarding their project to determine what City applications and permits are needed for their project.
2. Submit Grant Application and materials to info@experiencechehalis.com.
3. Grant Committee reviews all applications, and will forward approved applications to Experience Chehalis Board for final approval.

4. The Experience Chehalis Board makes final decision for award of grants. Grant applicants are notified of the grant awards.
5. If not already in hand, the applicant is required to obtain all approvals, permits and/or letters of exemption from the City prior to the beginning of work. Failure to obtain City approvals, permits, or letters of exemption prior to beginning work will likely jeopardize some or all of the grant reimbursements for project costs.
6. Within 90 days of project completion, the applicant must submit receipts showing payment for all project expenses to the Grant Committee who reviews and makes a recommendation for payment to the Experience Chehalis Board.
- . A reimbursement check equal to 75% of the approved project expenses (grant will not exceed \$2,500 per project) in the name of the applicant(s) as stated on the grant application form will be delivered to the applicant within one week of the invoice(s) submission.

H. What is included in the application?

Initial application submitted to the Grant Committee must include:

1. Safety & Security Grant Application Form Completed
2. Safety & Security Grant Agreement with signatures of the building owner (or owners) and applicable business/tenant with a designated storefront
3. Contractor bid estimates for proposed work and actual invoices for costs of the design work if applicable

I. Program Administration

The Grant Committee is responsible for overseeing review of all applications and is responsible for administration of the grant program. The Experience Chehalis Board awards grants and has final authority for the disbursement of funds.

J. What are the criteria for rating grant applications?

Award of a grant is a discretionary decision by Experience Chehalis based on the criteria below. Award of grants may also be competitive should there be more quality projects than funds available. It is not necessary to meet all criteria to have a project which qualifies for a grant.

1. **Critical need.** Special consideration will be given if there is a safety risk to the public.
2. **Historic Character.** The project will rehabilitate a building or business storefront in keeping with the historic character of Chehalis.
3. **Location.** Project must be located in the Main Street service area.
4. **Completed Application.** Those grant applications that are complete will have preference over those that do not; first-come, first-approved.
5. **Ready for Start.**
 - a. If a building permit is required, a project that has received a building permit approval or a determination that the project is exempt from a building permit will have preference over those that do not yet have approval or exempt determination.

- b. The project is shown to have a viable schedule for completion within 120 days of grant award.
